A New Chapter for CASA of the 8th: Welcoming Our New Executive Director

As we turn the page to an exciting new chapter, CASA of the 8th extends heartfelt gratitude to Lisa Hatt for her unwavering dedication and leadership. Lisa's passion and tireless work on behalf of the children we serve have left a lasting impact, and she will be deeply missed by our staff, volunteers, and community partners alike.

While we say goodbye to a remarkable leader, we are equally thrilled to welcome our new Executive Director, **Crystal Quinn**. With fresh energy and a shared commitment to advocacy, this transition marks a promising new beginning for our organization. We look forward to the future with confidence and optimism.

adopted five children from foster care, all of whom have experienced abuse and neglect, I have a firsthand understanding of the challenges and triumphs involved in creating a safe and loving home for vulnerable children. This personal journey has given me invaluable insights into the needs of children in the foster care system and a deep commitment to advocating for their well-being.

My vision for CASA is to build on our strong foundation by expanding our volunteer base, increasing community awareness, and collaboration. I believe that by working together, we can make an even greater impact on the lives of vulnerable children in our community.

I am continually inspired by the dedication of our CASA volunteers, staff, and supporters. Your passion and commitment are the driving force behind our success. I invite you to join us as we embark on this important work. Whether you become a volunteer, make a donation, or simply spread the word about CASA, your involvement can make a difference. Together, we can ensure that every child has a voice and a chance to thrive.

Every child deserves a champion – someone who will fight for them, believe in them, and help them reach their full potential!"

We are excited to announce our sponsorship with The 12th Street Community Center's Esports Arena. This is an amazing opportunity for anyone in the community
